Meeting Agenda:

1. Welcome and Introductions
2. Where are we now
3. Website Review
4. Discussion on Homework Questions

Meeting Minutes:

1. **Welcome and Introductions:** The meeting was opened by Dawn Skaggs who gave a brief overview of meeting agenda. She expressed gratitude for everyone attending. Dee then explained meeting will be moving to a virtual meeting going forward. The meeting began with a round of introductions.
2. **Where are we now:** Attendees and facilitators introduced themselves.
3. **Website Review:** Christina Alfaro demonstrated the task force's website, which serves as a central hub for resources, meeting minutes, agendas, and more. The website is

designed to streamline information and enhance communication among task force members. Dawn gave a brief overview of the Task Force Playbook.

4. **Discussion on Homework Questions:** The meeting continued with a review of homework responses received from the task force members. Various responses were discussed, including suggestions to include representation from school districts, individuals that are consumers and are the members of the community, individuals with disabilities who have an interest, independent living center, council or leadership from the city,

The meeting concluded by acknowledging that some responses may require further exploration and research. It was also discussed that the task force would work on expanding outreach and engaging potential participants. The facilitators expressed their appreciation for the input received and emphasized that the information would guide the task force's future work.
