

Let's talk about the weather.

Want to be a voice for your community and share your experience living through extreme weather?

Do you ...

- Want to get paid \$30/hour to talk about how extreme weather has affected you and your community?
- Feel like you have a story to share about climate change?
- Have at least 2 hours a week to chat (virtually) from October to November of 2022?

If you answered yes ...

1. Scan the QR Code
2. Fill out a quick survey
3. We will be in touch with you

Let us know of any disability accommodations you'll need to make this work for you.
